

Announcement

Date: 14 June, 2018

Bunker Adjustment Factor (BAF) Implementation

Dear Valued Customers,

Due to the significant increase in bunker prices since the beginning of the year and to keep ensuring the highest quality of service to our customer, CNC will recover bunker costs through its bunker related surcharge which will be applied to all cargo below scope with following implementation date and amount:

- POL: China, Hong Kong, Macau ports
- POD: South East Asia ports
(Bangladesh, Brunei, Cambodia, Indonesia, Philippines, Malaysia, Myanmar, Singapore, Thailand, Vietnam)
- Equipment: All Container Types
- Quantum: USD 50 per TEU
- W.E.F: 1st July, 2018 (On-board date)
- Payment term: To be collected with Ocean Freight, by Freight Payer

We thank you for your understanding and support.

Please consult our local agencies or websites for more information.
