Low Sulfur Surcharge Implementation

Scope: Shanghai & Ningbo outbound Laden shipments

In view of the new IMO regulation on Low Sulfur, CNC will introduce the Low Sulfur Surcharge (LSS) for all Shanghai (include Yangtze River ports) and Ningbo outbound laden shipments to cover additional costs incurred to comply with this requirements.

The tariff as follows:

- POL: Shanghai (include Yangtze River ports) & Ningbo
- Quantum: USD 25 per TEU for all container types
- Effective Date: 26th October, 2018 (On Board Date)
- Payment Term: To be Collected in POL

We thank you for your understanding and support.
