## Low Sulfur Surcharge Implementation

Scope: Shanghai & Ningbo inbound Laden shipments

In view of the new IMO regulation on Low Sulfur, CNC will introduce the Low Sulfur Surcharge (LSS) for all Shanghai (include Yangtze River ports) and Ningbo inbound laden shipments to cover additional costs incurred to comply with this requirements.

The tariff as follows:

- POD: Shanghai (include Yangtze River ports) & Ningbo
- Quantum: CNY 100 per TEU for all container types
- Effective Date: 15<sup>th</sup> November, 2018 (Arrival Date)
- Payment Term: To be Collected in POD

We thank you for your understanding and support.
