Low Sulfur Surcharge Implementation

Scope: Greater China Outbound and Inbound Laden Shipments

In view of the new IMO regulation on Low Sulfur, CNC will extend the Low Sulfur Surcharge (LSS) from existing Central China to whole China laden shipments to cover additional costs incurred to comply with this requirements.

The tariff as follows:

- Outbound
Quantum: USD 25 per TEU for all container types
- Inbound
Quantum: CNY 100 per TEU for all container types
- Effective Date: 3rd January, 2019 (Out-on board date, In-arrival date)
- Payment Term: To be Collected in China Ports
