CNC Introduces New Busan Thailand Saigon Service

SINGAPORE, 21 August: CNC is pleased to announce the launch of the Busan Thailand Saigon (BTS) service that will provide direct and fast weekly connectivity between South Korea, Thailand and Vietnam. CNC is a brand of APL, the sole Intra Asia short sea carrier of the CMA CGM Group, a world leader in shipping and logistics.

The new service will provide shippers unrivalled and exceptional access to niche ports of Bangkok, Ho Chi Minh City and Incheon. BTS will provide an alternative ocean freight service for shippers who need to move cargo from Bangkok and Laem Chabang to Ho Chi Minh City.

The BTS service will start sailing from Incheon on 27 August with the following port rotation: Incheon – Busan – Ho Chi Minh City – Bangkok – Laem Chabang – Ho Chi Minh City – Incheon.
