CNC will adjust the Inbound Documentation Fee for all Intra Asia laden shipments into China ports.

Scope:

POD: All China Ports

Quantum: CNY450 per B/L

Effective Date: 1st January, 2019 (Arrival Date)

Reefer Loading Record at Davao

Davao team headed by Ms. Eunice have taken over the crown as Market Leaders for November, by pushing MCC and PIL to second and third position. We achieved 30% market share which is commendable and our reefer liftings were nearly 1000 teus higher than any previous months. This could not have been achieved with the excellent rapport and trust that Davao team has established with our Reefer Clientele in Philippines.

Service Adjustment

▶ KCM Service

From Decemeber, KCM new rotation will be as follows:
Pusan - Incheon - Qingdao - Shanghai - Hong Kong - Port Kelang (WP) - Port Kelang (NP) - Pasir Gudang - Singapore - Hong Kong - Pusan.

▶ KCM2 Service
