CNC Launches New North China – Ho Chi Minh Express 2 (NCX2) Service

SINGAPORE, 10 March: CNC is pleased to introduce the new North China – Ho Chi Minh Express 2 (NCX2) service that will ply between China and Vietnam. CNC is a brand of APL, the sole Intra Asia short sea carrier of the CMA CGM Group, a world leader in shipping and logistics.

NCX2 will provide shippers an alternative ocean freight service from Ho Chi Minh to North and Central China, thereby catering to the growing reefer trade along this route.

Shippers will also be able to connect their cargoes onboard NCX2 to worldwide destinations through the CMA CGM Group's global network from the relay hubs of Qingdao, Shanghai and Hong Kong.

NCX2 will commence its maiden sailing from Xingang on 18 March. NCX2 calls the ports of Xingang, Dalian, Qingdao, Shanghai, Hong Kong, Shekou and Ho Chi Minh City.
