

CNC Launches New Bangkok Haiphong Service

SINGAPORE, [24 June]: CNC today announced the launch of the Bangkok Haiphong (RBH) service that will provide weekly connectivity between South China, Thailand and Vietnam. CNC is a brand of APL, the sole Intra Asia short sea carrier of the CMA CGM Group.

An express service from South China to Thailand, the RBH service will make an alternative sailing choice from Shekou to Laem Chabang. The service also offers shippers direct connectivity from Bangkok and Laem Chabang to Haiphong.

The RBH service will commence sailing from Nansha on 3 July. The service will call at the ports of Nansha, Shekou, Bangkok, Laem Chabang and Haiphong.
